

GUIDELINES FOR POSTER PRESENTATION

2nd INTERNATIONAL CONFERENCE ON MEDICAL & HEALTH RESEARCH 2025 (ICOMERS 2025)

"Improving Patient Outcomes and Health Resilience: Interprofessional Strategies for Infection Control and Intensive Care Using Cutting-Edge Basic Science Innovation"

**Saturday, 08 February 2025
Auditorium EF, 2rd Floor
Hasanuddin University Teaching Hospital
13.30 – 16.00 p.m.**

1. At least one representation from the team must present at the venue on the day of Conference (Saturday, 08 February 2025 – Hasanuddin University Teaching Hospital) to present their poster during QA session with the jury (13.30 – 16.00 WITA). This is a mandatory requirement as part of the evaluation process. Failure to attend will be considered as withdrawal of the participant.
2. All poster must be written in English and should be printed no greater than 90 cm (width) x 120 cm (height) size. You can attach your poster with double sided Velcro tape which will be provided for you.
3. Each participant prints their own poster, albatros paper is recommended.
4. Recommended font size: minimum 20-36 font size.
5. Arial font should be used throughout the poster with such clarity. The title and subheadings should be written in bold. Italics should be avoided as it would be harder to read from a distance.
6. Posters must have title, background, methods, results, and conclusions.
7. Keep the text concise and easy to read. Posters must convey a clear message and a logical layout.
8. Make sure that any photographs or figures being used in the poster are with sufficient size so that they are clearly visible. The number of photographs should be limited to only those that are essential and relevant for the poster.
9. Graphs and tables should be well organized and the font used should be of a size that is easy to read.
10. Data must be given in units that are generally accepted in scientific publications (international metric system is preferred).
11. At the footer/bottom part of poster presentation, should be noted:
